

# Creating a Guest Wireless Account at Illinois State University

To create a Guest Wireless Account for your own use:

1. On your laptop, desktop, or mobile device, select the **isunet-StartHere** wireless network from the list of available networks.
2. Once connected, launch a web browser (Internet Explorer, Mozilla Firefox, Apple Safari, or Google Chrome for example).
3. You should see the *Illinois State University Guest Login webpage*.

**Note:** If the Illinois State University Guest Login page fails to load, you will need to manually type the URL into the address bar. The URL to type in is [Wireless.IllstU.Edu](http://Wireless.IllstU.Edu)

4. From the *Guest Login page*, click **Request a guest wireless account** (Figure 1).
5. Enter your name and **10-digit cell phone number** (###-###-####) in the fields provided. Once you have completed the account creation process, the password for your account will be sent via SMS to the phone number you enter here.
6. Place a *check* in the box next to *I accept the terms of use*.

Figure 1

- To view the terms of use, you may click on the **terms of use** link to review them. If you agree, put a *check mark* in the box.

7. Click **Register**.
8. You will be see your **Visitor Registration Receipt** (Figure 2) which will display your *name*, your *account username* (which is your 10-digit cell phone number), *account activation time and date*, and the *account expiration time*. To login to your *Guest Wireless Account*, click the link near the bottom the reads **Click here to go to the login page**.

Figure 2

9. To log into the *isunet-StartHere* wireless network with your new account, follow the instructions below in the section entitled *How to Log into the isunet-StartHere Wireless Network With Your Guest Wireless Account*.

**You will also receive a text message with the account information mentioned above, as well as your numerical password.**
